Page 3 – Program overview

First of all, thank you very much for your registration! We are sure that your input will make this meeting a very informative and rewarding event. All contributions were accepted in the form as they were submitted. We are proud to welcome 61 limnologists from 21 different institutions with international guests from France, Italy, Slovenia, Germany, and Switzerland

The program contains one key note from Eleanor Jennings, 33 talks, 20 posters and 10 presentations of research stations in and around the Alps.

The time schedules for the various contributions are:

- Talks: 20 minutes (15 min. talk and 3 min. questions, power point or pdf presentations, no apple adapter available, a presenter with a laser pointer will be available, latest version of MS Office/Adobe Reader)
- Posters: 1-minute pre-presentation and >1 hour poster session (upright format, DIN A1)
- Research stations: 1-minute pre-presentation and a poster in the poster session

Students and young limnologists will meet the day before the official start of the meeting, on October 25 at the meeting place (see next page for the meeting venue). Organizational information for this event will be separately communicated to the attendees.

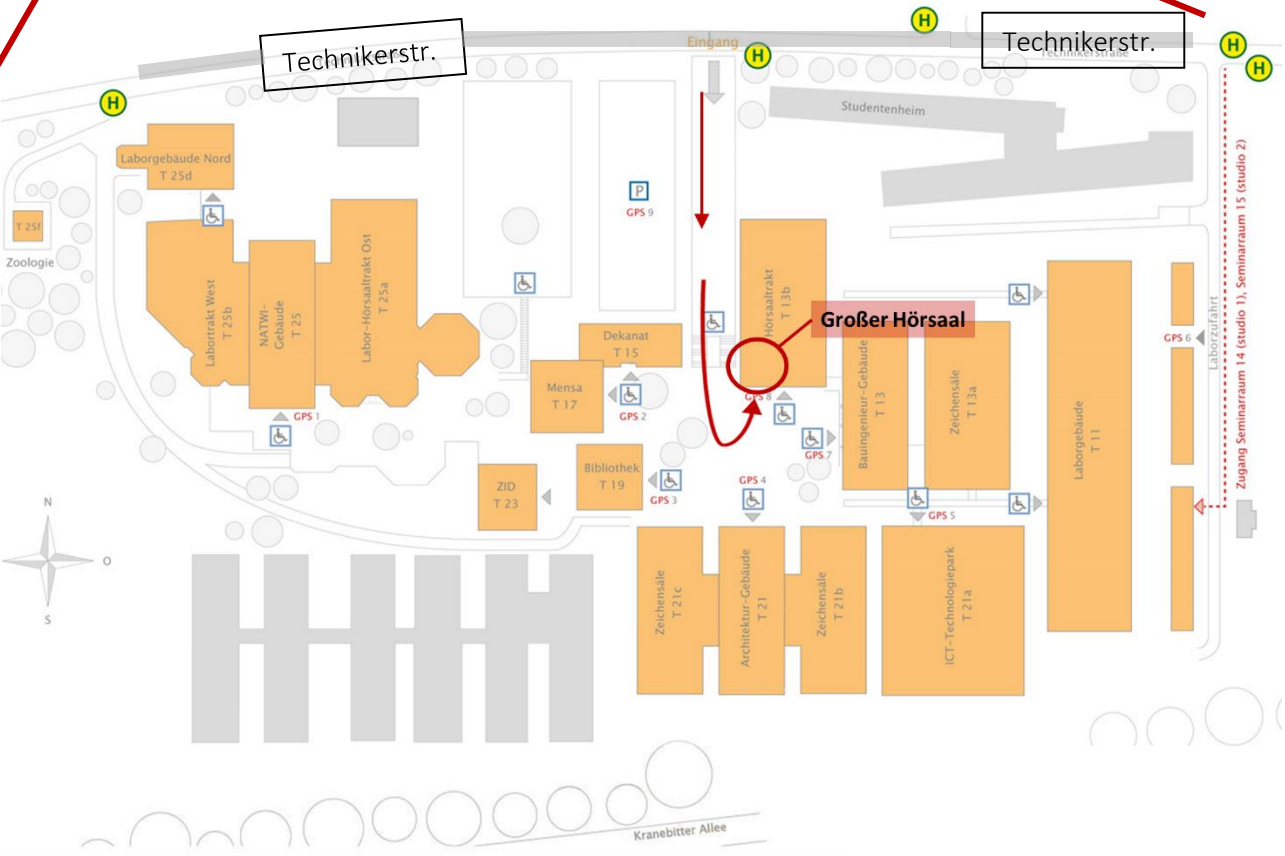

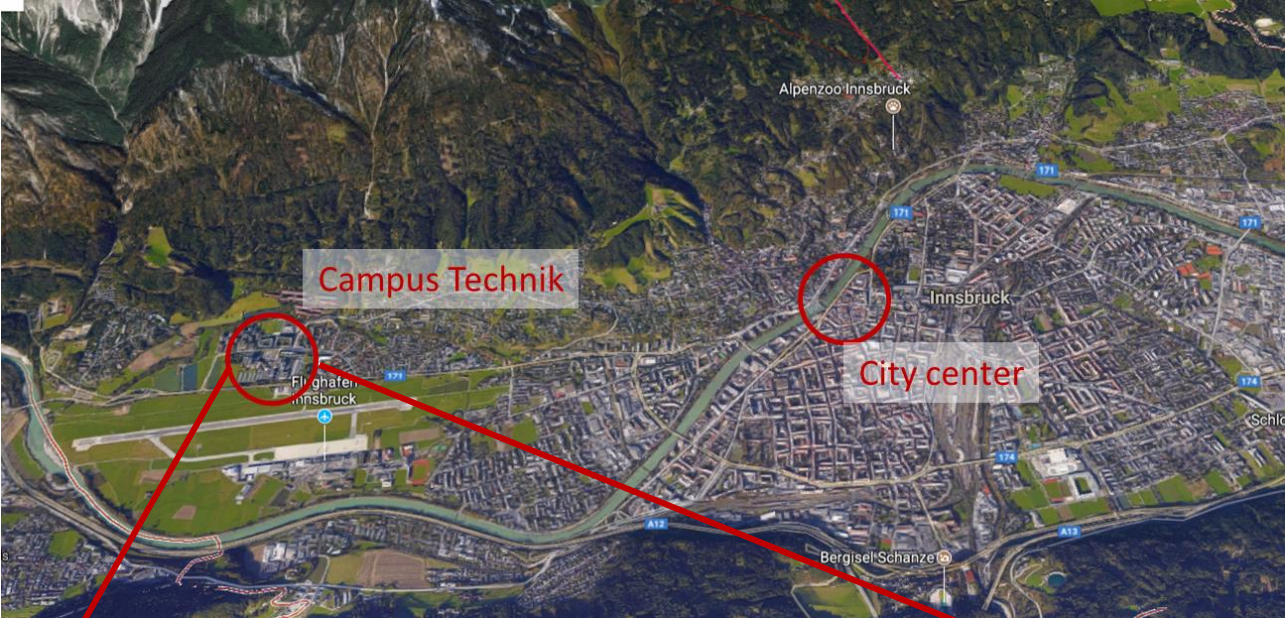

Lunch and dinner will be provided for October 26, the next day we can eat in nearby places. Coffee will be served during the meeting breaks.

The meeting place is at the Campus “Technik” of the University of Innsbruck, **Technikerstrasse**, in the building “CT TE013 Bauingenieurgebäude”, coordinates 47°15’50.8”N, 011°20’41.5”E, <https://goo.gl/maps/H6iFmAJHZZM2>.
